

# Suburb Performance Reports

Benefit From Unique Property  
And Suburb Data Trends

... brings you powerful, easy-to-use software to help you find, analyse, research and track investment property more successfully.

REAL ESTATE INVESTAR'S ALL-IN-ONE PROPERTY INVESTMENT SOLUTION

**Pro Membership**

**Investar Search**

Instantly find investment property that matches your strategy and buying rules.

**Development Search**

Access exclusive, off-the-plan opportunities ahead of the rest of the market.

**My Valuer**

Accurately estimate the value of any residential property and view on the market and sales history for better negotiation.

**My Research**

Research the investment performance trends of every suburb with the latest data at your fingertips.

**Property Analyser**

Analyse your property investments; create 10-year cash flow and capital growth forecasts to be 100% confident in each decision you make.

**Property Analyser**

Track your property portfolio data and get access to market values, capital growth, income, expenses and cash flow in real time.

**Xero**

Integrate your property portfolio with Xero and get real-time pulse on your cash flow and investments.

## ABOUT THIS REPORT

This report was produced using live on the market sales and rental listing data.

We have maximised accuracy by only publishing those results with high enough data sample sizes.  
This data is calculated at a dwelling type and bedroom level.

Cheapest rents illustrate entry-level suburbs for tenants and areas that may rise faster in future if increased demand occurs.

You should always conduct additional due diligence on any property and the suburb it is located in to ensure it meets your investment criteria.

Indicator	Legend
	No Change in Rank from previous month
	Rank has moved up in list from previous month
	Rank has moved down in list from previous month
	Rank has moved up sufficiently to be included in this top x list from previous month
	This item had no rank last month: e.g. - there were insufficient listings last month to record a valid statistic - the list item is new
